

Hello and welcome to ACE IT!

The team at ACE IT would like to offer you the opportunity to find out more about IT in a relaxed and friendly atmosphere.

You'll be given a warm welcome in our comfortable training suite where you'll have the chance to learn at your own pace.

ACE IT was launched in 2001 and rapidly became one of the key providers of computer training for the over 50's in the Edinburgh area.

Several years down the line, we are now one of Edinburgh's main providers of computer training, having trained thousands of older people.

Along the way we've been lucky enough to pick up several awards in recognition of our work.

We believe that one of the keys to our success is taking away the fear of computers and technology. We try our best to make sure that the learning experience is fun and jargon free in a relaxed and supportive atmosphere.

What our learners say

"I was 80 when I got my laptop. It was a surprise present and I was so scared that I was going to appear stupid.

"I realised that I needed to get help and a friend told me about ACE IT. I haven't looked back and I am always grateful to my friend. The learning process became enjoyable and I've forgotten when I stopped being afraid of computers!"

"Don't be afraid to learn, or think that because you have never used technology before, that you will never manage. Go along to ACE IT - their patience is marvellous - even going over the same subject is no problem."

"If you're afraid of IT, then you're one of a massive crowd. Jump right in and learn what you can. Go to ACE IT for help!"

Drop In & Fix IT Sessions

Tuesdays 10.30am - 12.30pm and 1.00 - 3.00pm

Wednesdays 10.30am - 12.30pm

Our 'Drop In & Fix IT' sessions offer the opportunity to get one-to-one tuition on any digital device - laptop, tablet, iPad, Kindle, camera or mobile phone.

Perhaps you've just bought a smart phone and need a bit of help to understand the basic functions.

Or maybe you're baffled by the instructions with your new camera - then we can help!

Whatever your query, we're sure to have the answer. Once we find out what help you need, we'll pair you up with the tutor best suited to help you fix your particular problem.

We'll do our best to help and are happy to help tackle problems big and small.

So give us a call and start getting the most out of your digital devices.

To book your session, please call us on 0131 477 3883.

These sessions get busy, so booking is essential!

£8.50 for a one hour session, £17 for a two hour session
