

## Integrating for Better Outcomes

Thursday 12<sup>th</sup> June 2014

9.30am – 4.30pm

Heriot-Watt University, Edinburgh, EH14 1AS

### Objectives for the event are:

- to focus on the possibilities for delivery of the outcomes for integration
- to share good practice and challenges
- to generate peer review & support

### The programme will include:

- Address by Alex Neil MSP, Cabinet Secretary for Health and Wellbeing and Peter Johnston, Health and Well-being Spokesperson, COSLA
- Worldwide examples of integration by Nick Goodwin, CEO, International Foundation for Integrated Care
- Workshops/Plenary sessions – insights on what is working well; discovering common themes and opportunities for improvement focussed around the Outcomes for Integration

### This event is for:

Members of shadow Integration Boards, practitioners and managers from all sectors together with service users and carers, community groups, government, regulators and academics.
