

## City of Edinburgh Council's Third Sector Champion seeks your views and opinions

Will your views help shape our shared future?

Cllr Maureen Child, Convenor of the Council's Communities & Neighbourhoods Committee, would like to invite third sector organisations from across the city to Edinburgh's First **Compact Third Sector Forum**.

The Forum will provide an opportunity to explore how the Compact's vision of "A City of active resilient communities where a vibrant Third Sector works in partnership with others to build social value and reduce inequalities", enables partners working together to face the challenges of the future, enhances coproduction approaches and improves service planning with public sector partners.

The meeting will also provide an opportunity to:

- hear about the new Compact Strategy 2015-20
- explore the key issues facing the city's third sector at city, locality and neighbourhood levels;
- highlight examples of good practice; and
- aim to build confident partnerships for the future.

Do take a moment to look through the Forum [programme](#).
